

SSH SGH SSE Bahnhofplatz 4 CH-8001 Zürich

June 2017

Invitation

Dear SSH members, colleagues and all interested in hematology,

We kindly invite you to the annual continuous medical education course of Swiss Society of Hematology, taking place in Lausanne, 10-11 November 2017.

For each major topic in hematology, we were able to recruit renowned Swiss and international speakers who will give state-of-the-art presentations in their field. Sessions are complemented by practice-oriented case discussions, and you have the opportunity to ask questions during sessions by email or text message.

We would also be very pleased if you could join us for dinner on Friday, 10 November, at the restaurant "Aquatis", which is located in the building that will host the biggest freshwater aquarium in Europe. The aquarium is under construction and should be completed by the end of summer.

Enclosed you find the program of the training days. Please register until 27 October at the latest, by using the enclosed registration form or online at www.etches.com/ssh.

Yours sincerely,

Dr Sabine Blum
