

Continuing education in Transfusion medicine (SSH-SGH / FAMH) 2026

When: on Thursday 1x/month from 15.30 to 16:30

Organized by :

Transfusion Interrégionale CRS (TIR)
Route de la Corniche 2, 1066 Epalinges, and
Unité de médecine transfusionnelle (UMT)
CHUV, rue du Bugnon 46, 1011 Lausanne

These training sessions will each last 45 minutes, followed by 10-15 minutes of Q&A, and will be held by videoconference. They are open to medical doctors and other TIR and UMT staff members, as well as members of other transfusion centers, medical doctors from the haematology department of the CHUV and other hospitals in the French-speaking Switzerland, established haematologists and laboratory staff.

The program and speakers are as follows:

Specific theme	Speaker	Date

Winter break		

Speakers

Dr Giorgia Canellini
Médecin cheffe, Unité de médecine transfusionnelle (UMT), CHUV
Giorgia.canellini@chuv.ch

Dr Elena Gagliarducci
Médecin, Transfusion Interrégionale CRS SA (TIR)
elena.gagliarducci@itransfusion.ch

Dr Mathilde Gavillet, MD-PhD
Médecin responsable suppléante VD, Transfusion Interrégionale CRS (TIR)
Mathilde.gavillet@chuv.ch

Dr Tobias Gleich-Nagel, PhD
Unité de médecine transfusionnelle (UMT), CHUV
Tobias.Gleich-Nagel@itransfusion.ch

Dr Laura Infanti, MD-PhD
Médecin-chef adjointe / directrice du centre de transfusion sanguine CRS des deux Bâle
laura.infanti@usb.ch

Dr Aylin Jaspersen
Responsable médicale BE, Transfusion Interrégionale CRS SA (TIR)
aylin.jaspersen@itransfusion.ch

Dr Sofia Lejon Crottet
Responsable de l'immunohématologie / laboratoire de référence,
Transfusion Interrégionale CRS (TIR)
Sofia.Lejon.Crottet@itransfusion.ch

Prof Nathalie Rufer, MD, PhD
Responsable médicale VD, Transfusion Interrégionale CRS (TIR)
Nathalie.rufer@itransfusion.ch

Dr Caroline Tinguely, PhD
Responsable du département Marqueurs infections & Laboratoire de référence et
supervision du centre de coordination Lookback B-CH
Transfusion Interrégionale CRS (TIR)
Caroline.Tinguely@itransfusion.ch

Dr Jeremy Touati
Responsable Laboratoire de Préparation Cellulaire et d'Analyses
Transfusion Interrégionale CRS (TIR)
Jeremy.Touati@itransfusion.ch
