

# It's MAJIC!

## Pulling the emergency brake on thrombosis in high-risk PV

We are excited to invite you to the upcoming live webinar where **Dr. Natacha Dewarrat (CHUV, Switzerland)**, **Prof. Claire Harrison (Guy's and St. Thomas' Hospitals, UK)**, and **Dr. Jonathan Bloch (Nyon Hospital, Switzerland)** will discuss the insights from the latest data on managing hydroxyurea-resistant/intolerant high-risk polycythemia vera.

During the webinar, Prof. Harrison will present her findings from the MAJIC-PV real-world study conducted in the UK, and then together with Dr. Dewarrat with Dr. Bloch you will have a chance to discuss PV patient cases, as well as ask our expert faculty questions during the Q&A session.

The webinar will be held virtually on 5 February 2024 at 17:00 CET. If you are interested in attending the event, scan the QR code below to open the registration page. The login details will be shared with you before the meeting.

*\*You will receive CME credits for the participation in the event.*
